## DESCRIPTION

1-800-DryClean offers a pick-up and delivery business system in response to the need of the time-starved consumer for professional, consistently high quality dry cleaning with prompt, dependable service. The business opportunity features starting owners in a single van, single territory pick-up and delivery route. The business is scaleable into multiple vans/routes after the first territory is developed. A brand of Service Brands International (SBI), its parent company has more than 20 years of experience helping franchise owners realize their dream of business ownership. Other SBI brands include industry leaders like Molly Maid, Inc. and Mr. Handyman, LLC, which also offer timesaving services. Another SBI business is the Certified Restoration Drycleaning Network (CRDN), a nationwide network that bridges the gap between restoration drycleaners and the insurance industry.
