Description of Franchise:

Doctors Express (DRX) is unlike other independent urgent care options. As a 4 stage Urgent Care, Doctors Express is very close to emergency room! But, unlike hospital emergency rooms, our centers offer the convenience of walk-in service with minimal wait times. Most independent facilities may only have nurses on staff; Doctors Express Clinics staff doctors who provide medical services in a comfortable, clean and friendly environment.

Doctors Express Urgent Care Clinics Provide:

- Quality care by fully certified doctors
- Convenient hours and efficient, walk-in services
- Affordable prices and broad-based Insurance Plans & Medicare acceptance
- “One-Stop” care: Medical exams, X-rays, On-site lab and Prescriptions from the In-house Pharmacy!
- 4 stage Urgent Care Clinic / Most Competition are 2 stage facilities
