DESCRIPTION:

What AAA does for automobiles, we do for homes. We match the customer's requested service with our best certified contractor. Our Home Repair Network has contractors with outstanding references, insurance, and any required licenses. Our approved contractors join the network by invitation only. They cannot pay to join us. After making a request for service, customers receive a service call from a contractor within an hour. We follow up to verify that the work was completed to the customer's satisfaction.
