DESCRIPTION:

The Grout Medic is the leader in the "after care" market of grout and tile repair. The products and equipment used are the latest in technology to bring grout and tile back to life. Before having tile removed and replaced, let the Grout Medic show you what options are available for you. Our goal is to exceed our customers' expectations by providing quality, professional work usually completed in one day. The work is completed for a fraction of replacement costs and far less aggravation than renovation while achieving the same results!
